There's ADA accessible entrances on all sides, but assuming you come in through the main (North-facing) entrance off Green St., find this building:

1. Head in:

2. Go down the corridor to the right (to the West)

3. Take a left at the staircases past the elevators

4. Walk down ~100 ft (just past the Starbucks sign in the above photo) until you reach a large hallway to the left (i.e. to the East) - this is also right opposite the Western doors to Union

5. The hallway has the Illini Rooms. There's a big **Orange I** - we're in the left room Illini A.
